Mr. Gaar Lund

The Shield Staff of 1969 would like to formally thank Mr. Gaar Lund for all of his help as the yearbook advisor. This is a position which he has held for the past eight years. During this time he was become more than an advisor.

Each year he faced the next new, completely inexperienced staff and somehow taught them how to successfully produce a yearbook.

We were each given confidence and a more definite sense of responsibility through him. Therefore, this is to show our deep appreciation and gratitude for all of the help he has given us.

## FOREWORD

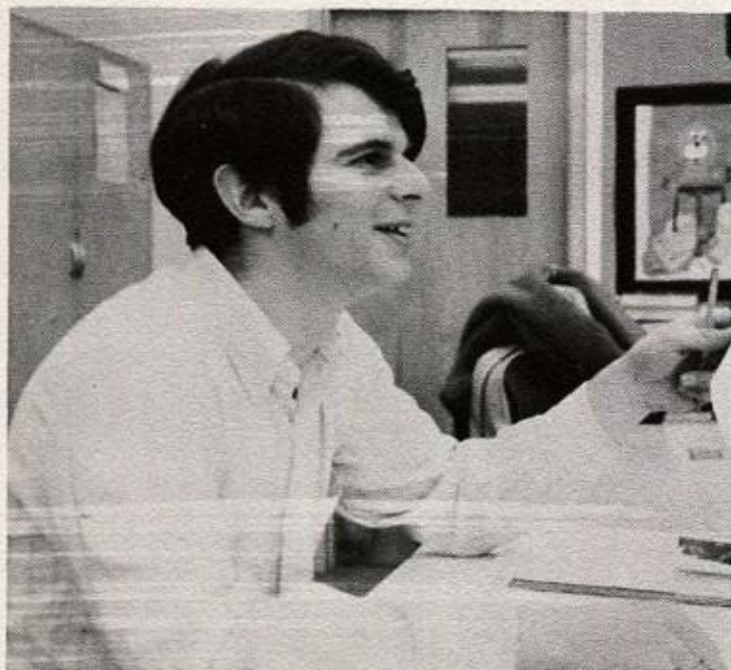

When the Shield staff held their initial meetings, which were open to all and any students interested in working to plan and produce the 1969 yearbook, there was a common goal, in everyone's mind. That goal was to present the best book that we could possibly produce. At that time we were not totally aware of the problems ahead; nor did we suspect the amount of time-consuming work involved to attain our goal.

The staff did not stop working at the close of school last June. Frequent meetings were held during the summer. Ideas were introduced, discussed, and decisions were made. Since September, an average of four nights per school week were spent designing layouts, planning pictures and their schedules, cropping pictures, typing copy, and re-reading copy. This does not mention the numerous hours of work involved in financing the book. For the above reasons, I would like to express my gratitude to all of my editors, staff members, and advisors, Mr. G. Lund and Mr. J. Wnuk. I would also like to thank Mrs. M. Duitsman, Mr. R. Foster, and Mr. D. Davis for their aid during emergency situations. The cooperation for other faculty, organizations, and students were also appreciated.

Now with the eighth chapter of Franklin history closing, it is the staff's hope that we have reached our goal, and that you enjoy this yearbook.

Principal  
Patrick J. McDermott

As you recount and relive your high school days in the future years by pondering the pages of this book, I would hope that you remember not only the many worthwhile social and athletic experiences you have had but also the fine educational preparation you received at Franklin High School. Although your success in life will depend in some measure upon your personal dedication during your twelve-year academic experience—those of us who have played some small role in your development will constantly share a concern for your well-being—your difficulties—and your many triumphs.

This years Cross-Country Team was led by two Seniors; Ed Rojack, and Mark Gronner, plus the running of 4 Juniors, and 2 Freshman. ## WINTER TRACK

### WINTER TRACK

There were many fine runners who completed this season, and at least five of them made the state relays at Lawrenceville.

It's a long time from December to June, a long time for anything but especially a long time to be running. Yet 40 or so aspirants do it every year. These people have no cheerleaders yelling for them, little or no publicity, no pep rallies and an average yearly attendance of about 6. As this ignominy is not enough the track team has somehow gotten a less than complimentary reputation for being a bunch of hapless rejects from the other "important" sports. The F.H.S. track team has probably the finest sprint team in the state of N.J. We have the state novice 60 yd. champion, James Scales, and 2 more state open 60 yd. dash finalists,

First row: A. James, J. Rodey, R. Van Allen, R. Alizade, G. Joseph. W. Howard, S. Gaffin, G. Neimy, G. Tulega, S. DeSalva, T. Paladina, T. Wheatley, T. Jacoplit, H. Szwarc. Second row: R. Smith, R. Lubinski, I. Belton. Fourth row: G. Mayo, G. Mendez, G. Smith, C. Brodnax, H. Pace, J. Gallon, B. Jennings, L. O'Connor. Fifth row: E. Sakayama, G. Fitzpatrick, M. Mango, K. Laudadio, D. Swift, M. Abramo, F. Gerhardt, K. Kerr

Genero Mendez and George Mayo. To round out the spring team are, Bruce Jennings, Steve Gaffin, Herbie Pace any one of whom could easily win the country championship if not for each other. In addition to the sprinters, we have one of the finest half-mile teams in the country composed of Phil Beachem, Willie Howard, Greg Tuleja and Steve Baily. Isaac Belton who heads the quarter-mile group is one of the best quarter men in the county. Belton is backed up in the quarter-mile by Glen Niemy, Frank Marble and a host of underclassmen. Skip Rojack is back in the mile and is hoping to break his own school record. Bruce Wolf, Bruce Jennings and Russ Alizade lead our weight division and our excellent group of jumpers include Lee O'Conner, Ken Laudadio, Willie Howard and once again Bruce Jennings. At this time the track team has won both of its exhibition meets and under the leadership of Coach Robert Williams, who in the opinion of the team is the finest coach in the school, we should be one of the top teams in the area.

## SOCCER

The Franklin Soccer Team followed in the footsteps of last year strong team ending up with a 500 season. The Freshmen class had to adjust itself and establish a foothold of respect and credibility in school. Since the beginning of the year the enthusiasm and exuberance of the students has brought us a long way toward our goal. Now as a chapter of our lives comes to a close we continue our story of adventure by promising to be the best class Franklin High has ever had.

## CLASS OF '70

Mr. Ross Spalt  
Advisor

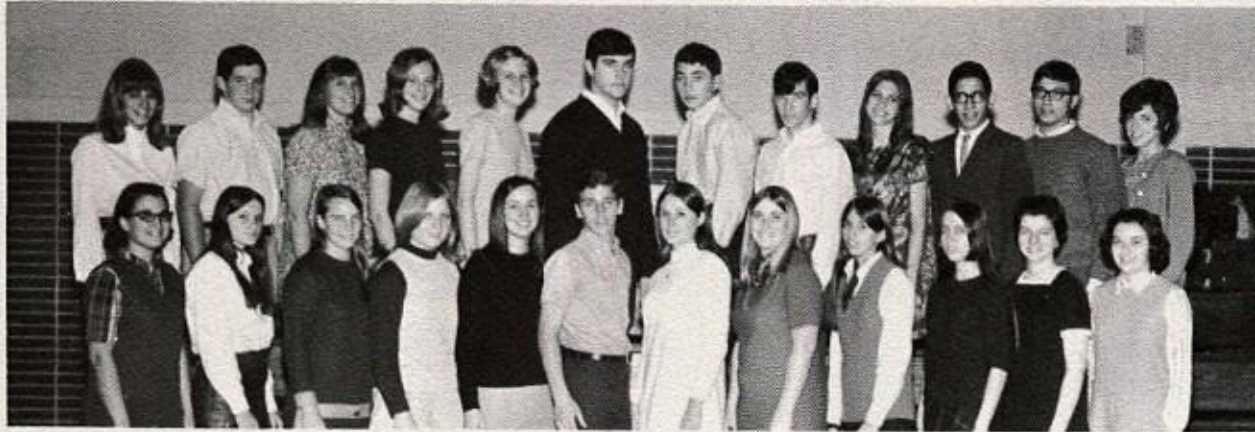

As junior and upperclassmen we have come to realize that maturity and responsibility are very much a part of our lives. Juniors have not only realized these qualities but have attempted to show an example by participating in class activities in the school.

Our Junior year will be characterized by our many activities climaxing with the Junior Prom, which is an event which will be remembered throughout our lives. Juniors accept the challenge of our coming Senior year, and will strive to make it our best yet. Truly we hope that when we leave our Junior year, that we would have left a path for future Juniors to follow. "And the Beat goes on"

## CLASS OF 1969

Mr. Thomas Crop  
Advisor

As we, the Senior Class of 1969, leave Franklin High School, we look back with pleasure and pride to the four years we have spent here.

Each member in his own way has contributed to making this class a mature and responsible group.

We have tried to provide the type of leadership which has always characterized the Franklin High School student. Our class has earned the respect of the entire school by the way we have conducted ourselves through the years.

The things we have learned at Franklin High School will equip us to face whatever future lies ahead.

Although it is time now to move on, memories of our class will remain at Franklin High School, just as each one of us will carry his own remembrances through life wherever he may go.
